

TENT FUMIGATION PREPARATION SHEET

- 1) Remove all food from pantry, refrigerator, freezers etc. and place them in fumigation rated bags, provided by us. Or remove them from the home completely.
- 2) Place all lotions, shampoos, toiletries, inside these same bags.
- 3) Remove cars from the garages and park them in the driveway. Or if left in garage to fumigate, open all doors and trunk. Don't forget to disconnect the battery.
- 4) Remove all PETS from the home, including NEMO and DORI the fish!
- 5) Remove all PLANTS from the home. They will NOT survive!
- 6) Place exterior potted plants at least 5 feet away from the structure during the tenting process.
- 7) Remove valuables from the home or lock them away safe.
- 8) Contact your local authorities to inform them of the fumigation dates and request a property check during that time. They are usually glad to help!

Have a VAST PROFESSIONAL perform these duties for me! (Except #7)

(At an additional charge of \$279 for homes under 2000 sq ft.)
