

# GERMAN ROACH SERVICE PREPARATION SHEET

- Remove ALL items from your cabinets and drawers in areas roaches have been seen.
- Vacuum, sweep and mop floor with hot water and disinfectant.
- Remove outlet covers in the kitchen and bathrooms.
- Remove competing food sources such as; grease build up on the stove, food particles in the microwave and toasters, food left out. All these prevent our material from working.
- Take trash out and clean trash cans thoroughly.

**Have a VAST PRO perform these duties for me for an additional charge:**

(\$299 for prep service on homes under 2000 sq ft.)
