

FLEA SERVICE PREPARATION SHEET

1. Remove ALL items from under beds and bottom of closet floors
 2. Vacuum, sweep and mop floor with hot water and disinfectant.
 3. Focus cleaning efforts near pet beds and resting areas. Remember to lift them up and remove covering if possible.
 4. Remove kids toys from yard to prevent them from getting sprayed.
 5. Have pets treated for fleas and ticks to ensure they do not carry them back into the home.
 6. Remove conducive conditions that encourage outside animals such as: possums, raccoons, stray cats, rats etc. to be drawn to your property. Keeping pet food inside is an easy place to start.
